

Entrance Counseling

Students who wish to receive Direct Federal Student Loans (Subsidized & Unsubsidized), must complete entrance counseling and a Master Promissory Note (MPN), before the first disbursement of a Direct Subsidized or Unsubsidized Loan can be made to the borrower. Calvary requires students to complete the Entrance Counseling and Master Promissory Note requirements online by visiting www.studentloans.gov.

Students will need to use the same FSA User ID they used to sign their FAFSA to log into www.studentloans.gov. Once logged in the student will need to click on the appropriate links to complete Entrance Counseling and a Master Promissory Note for Subsidized and Unsubsidized Loans.

The staff of the Financial Aid Office at Calvary is always available to provide assistance and financial counseling/planning in addition to that provided in the Entrance Counseling online. If students have questions or require assistance they should contact the Financial Aid Office in person, by phone, or email.
