

Proof/Waiver of Student Health Insurance Coverage

NOTE: This form must be filled out prior to your first class each Academic Year (the Academic Year begins in August).

Calvary University strongly recommends that all students carry health insurance that covers them in the Kansas City area. (Many insurance plans do not provide coverage outside the "home" area, so it is important that you contact your insurance company to find out whether you will be covered in Kansas City.) All students must complete this *Proof/Waiver of Student Health Insurance Coverage* form and present it along with a copy of their insurance card (or other proof of coverage) to the Student Deans office prior to their first class. If a student is unable or unwilling to obtain coverage for the Kansas City area, that must be so indicated below.

Calvary does not offer insurance plans, but students may contact Troy Floyd at Heritage Benefit Consultants (816-322-6350) for information on Short-Term or Long-Term medical plans that would be suitable.
