TEXTBOOKS

The Bible is a required textbook in every course at Calvary University. To facilitate academic level study, students are required to use for assignments and research an English translation or version of the Bible based on formal equivalence (*meaning that the translation is generally word-for-word from the original languages*), including any of the following: New American Standard (NASB), English Standard Version (ESV), New King James (NKJV), or King James (KJV). Other translations and versions based on dynamic equivalence (*paraphrases and thought for thought translations like NLT and NIV*) may be used as supplemental sources. Please ask the professor if you have questions about a particular translation or version

A sample paper is in the Learning Center or at Calvary's web site. All papers should include a title page and a bibliography. Please refer to a minimum of five sources.

Do not plagiarize. Plagiarism is defined as copying any part of a book or paper without identifying the source. This also includes taking another person's or AI entity's ideas or constructs and presenting them as your own. The use of AI generated content in student work is prohibited (even if cited) as it does not represent original work created by the student and is an unreliable aggregate of ideas from other sources. Plagiarism of any kind will not be tolerated. If a student plagiarizes the student will receive a zero (F) for the assignment and he or she will be reported to the dean of students and the chief academic officer.

Help for Students

Students with disabilities have the responsibility of informing the Accommodations Support Coordinator (aso@calvary.edu) of any disabling condition that may require support.

The Clark Academic Center (learning@calvary.edu) is dedicated to providing free academic assistance for Calvary University students. Student tutors aid with all facets of the writing process, tutor in various subject areas, prepare students for exams and facilitate tests. Please take advantage of this service.

Expectations of Online Students

Watch the video lecture each week.

Be respectful of the professor and all students in the online classroom.

Take all tests and turn all work in on time.

Expectations of Resident Students

Attend class. Any student who misses more than one class will experience a grade reduction.

Be on time for class. Coming in late interrupts the class and is disruptive.

Please bring a Bible to class.

Listen to the lecture and write down your questions. When I call for questions after finishing a section of the lecture you can ask your questions then.

Be courteous and respectful in class to the professor and all students. A lack of respect in class will lead to a grade reduction.

Please do not eat during the class lecture/discussion time.

Take all tests and turn all work in on time.
